

# Alexey Ott's Curriculum Vitae

## Personal Information

- **Name:** Alexey (Alex) Ott
- **Address:** Im Schlinge 59, 33106 Paderborn, Germany
- **Phone:** +4917650439409 (mobile), +4952549210056 (home)
- **E-mail:** [alexott@gmail.com](mailto:alexott@gmail.com)<sup>1</sup>
- **Citizenship:** German, Russian
- **Date of Birth:** 04 Jun 1974
- **Personal site:** <http://alexott.net/en/>
- **LinkedIn profile:** <http://www.linkedin.com/in/alexott>

## Summary

- Serious experience in products development for Data Leak Prevention & Content Filtering
- Leader of software development projects (commercial & open-source)
- Software architect and developer using many different programming languages
- Business vision of problems and requirements

## Work Experience

- **Software Architect** at *McAfee, Inc. (subsidiary of Intel Corporation)*  
**Dates (from-to):** 03.2013-now  
**Name and address of employer:** [McAfee, Inc](http://www.mcafee.com)<sup>2</sup>. 33100 Paderborn, Germany  
**Positions held:** Software Architect  
**Type of business:** Software Development  
**Main activities and responsibilities:**
  - Architecture and development of identity management components inside MWG (McAfee Web Gateway)
  - Coordination of development with other teams
- **Principal Software Engineer** at *McAfee, Inc. (subsidiary of Intel Corporation)*  
**Dates (from-to):** 04.2011–02.2013  
**Name and address of employer:** [McAfee, Inc](http://www.mcafee.com)<sup>3</sup>. 33100 Paderborn, Germany  
**Positions held:** Principal Software Engineer  
**Type of business:** Software Development  
**Main activities and responsibilities:**
  - Architecture and development of web-filtering and data leak prevention software (McAfee Web Gateway)
  - Provide support for 3rd party developers
  - Quality “tzar”, responsible for introduction of quality-improving techniques and methodologies—code review, unit testing, analysis of existing problems & errors, etc.
- **Author & Editor** at *Practice of Functional Programming (Journal)*  
**Dates (from-to):** 04.2009-now  
**Main activities and responsibilities:**

---

<sup>1</sup><mailto:alexott@gmail.com>

<sup>2</sup><http://www.mcafee.com>

<sup>3</sup><http://www.mcafee.com>

- Author of several articles on functional programming (Clojure, Scheme, etc.)
- Preparation of new journal issues
- **Senior Software Developer** at *McAfee, Inc.*  
**Dates (from-to):** 01.2007–03.2011 (2007–2008—Secure Computing Corp.)  
**Name and address of employer:** McAfee, Inc<sup>4</sup>. 33100 Paderborn, Germany  
**Positions held:** Senior Software Developer  
**Type of business:** Software Development  
**Main activities and responsibilities:**
  - Development of content-filtering software
  - Architect of new versions of software—collecting requirements, creating top-level view, planning development activity, etc.
- **Head of Software development group** at *Jet Infosystems*  
**Dates (from-to):** 10.2001–11.2006  
**Name and address of employer:** Jet Infosystems<sup>5</sup>. B. Novodmitrovskaya, 14/1, 127015 Moscow, Russia  
**Positions held:** Head of Software development group, Chief System Architect  
**Type of business:** System Integration  
**Main activities and responsibilities:**
  - Head of development group (9 people);
  - Lead of development projects;
  - Architect and development of custom and off-the-shelf software (C/C++, Scheme, Lisp, Java);
  - Negotiation with customers
  - Present solutions for customers;
  - Participation in marketing activity;
  - Infrastructure architect (data & process integration projects, network projects, mail projects).
  - *Performed Projects:*
    - \* **Mailboss** (aka SMAP “Dozor-Jet”) – mail filtering and archiving software (architect and developer, leader of development process); <http://www.jetinfosecurity.com>;
    - \* **Webboss** (aka SKVT “Dozor-Jet”) – web filtering software (architect and develop software, lead the development process); <http://www.jetinfosecurity.com>;
    - \* **BeepayXP** – payment processing software for the Vimpelkom – large Russian Mobile Company (Data architect, server infrastructure architect, project coordinator);
    - \* **File-NG** – data type detection library;
    - \* **KC IAS** - lead architect in data and process integration pilot project (on the base of Sun Java CAPS) for a Russian Central bank. Business process analysis, Project architecture design, product selection.
    - \* Content-type detection add-on for the Cerberus software (Mail filtering software for Lotus Notes);
    - \* Custom Web Portals for the government departments (architect solutions, project coordinator);
    - \* Mail projects for different clients (Infrastructure architect, project coordinator);
    - \* Custom software solutions (Development in C/C++, Java, Scheme).
- **Teacher** at *Tomsk Polytechnic University*  
**Dates (from-to):** 09.1998–08.2001  
**Name and address of employer:** Tomsk Polytechnic University, Lenina Str, 30, Tomsk, Russia  
**Positions held:** Assistant lecturer at Technical Physic’s department (Teacher)  
**Type of business:** Education  
**Main activities and responsibilities:**
  - Provide trainings for students in branch of thermodynamic, molecular physic, computer modeling of physical processes;
  - Administration of faculty network (mix of Unix and Windows servers) – 1500 users;

---

<sup>4</sup><http://www.mcafee.com>

<sup>5</sup><http://www.jetinfo.com>

- Development of Intranet applications.
- **Developer** at *E-Compare Corp.*  
**Dates (from-to):** 10.2000 – 4.2001  
**Name and address of employer:** E-Compare Corp, USA  
**Positions held:** Developer (remote work)  
**Type of business:** Software Development  
**Main activities and responsibilities:**
  - Writing modules for search engine (Perl, Oracle);
  - Web programming (HTML, JavaScript).

## Education and trainings

- **Engineer** at *Tomsk Polytechnic University*, Russia  
**Dates (from-to):** 1991–1997  
**Title of qualification awarded:** Physic (Engineer)  
**Name and type of organisation:** Physical-technical department of Tomsk Polytechnic University  
**Principal subjects:** Physic and Chemistry of Plasma, Mathematics  
**Level in national classification:** Higher education diploma
- **MBA** at *Magdeburg University*, Germany  
**Dates (from-to):** 2003–2005  
**Title of qualification awarded:** Master of Business Administration  
**Name and type of organisation:** Deutsches MBA Program, Magdeburg University, Germany  
**Principal subjects:** General management, Finance, Marketing
- Online courses:
  - [An Introduction to Artificial Intelligence](#)<sup>6</sup> (Stanford). Score: 89%
  - [Machine Learning](#)<sup>7</sup> (Stanford). Score: 100%
  - [Natural Language Processing](#)<sup>8</sup> (Stanford/Coursera). Score: 93%
  - [Heterogeneous Parallel Programming](#)<sup>9</sup> (University of Illinois at Urbana-Champaign/Coursera). Score: 100% with distinction
  - [Computing for Data Analysis](#)<sup>10</sup> (Johns Hopkins Bloomberg School of Public Health/Coursera). Score: 100% with distinction
  - [Introduction to Data Science](#)<sup>11</sup> (University of Washington/Coursera). Score: 90.1% with distinction
  - [Model Thinking](#)<sup>12</sup> (University of Michigan/Coursera). Score: 95% with distinction
  - [Data Mining with Weka](#)<sup>13</sup> (University of Waikato). Score: 100%
  - [Functional Programming Principles in Scala](#)<sup>14</sup> (École Polytechnique Fédérale de Lausanne/Coursera): Score: 100% with distinction

## Technical skills and competences

### Programming languages and software development skills

- C and C++ – more than 10 years (mostly in Unix – Linux, Sun Solaris, HP-UX, FreeBSD)
- Scheme and Common Lisp – 8 years (commercial & personal projects)
- Clojure – 4 years (commercial & personal projects)
- Erlang – 1,5 year (personal projects)

<sup>13</sup><https://weka.waikato.ac.nz/dataminingwithweka/>

<sup>14</sup><https://www.coursera.org/course/progfun>

- Haskell - 1 year (personal projects)
- Java (including J2EE) – 5 years (currently inactive)
- Perl – 5 years (currently inactive)
- OCaml and F# – 3 years (currently inactive)
- Prolog - 2 years (currently inactive)
- SQL – 7 years (Oracle and PostgreSQL)
- UML modeling in complex projects
- x86 Assembler – 5 years (currently inactive)
- Hadoop and corresponding topics - 2 years
- Lucene - 2 years (via Clojure)

## Other computer-related skills

- Administration of UNIX-like OS – Linux (since 1996), Sun Solaris (since 2000), HP-UX (since 2001), FreeBSD (since 2000)
- Administration of Windows OSes – NT4, 2000, XP
- Administration of relational databases (Oracle and PostgreSQL)

## Open Source projects

I'm participating in different open source code projects including:

- Clojure-related: Incanter, Leiningen, swank-clojure, Clojure, clojure-hadoop, labrepl;
- Emacs-related: el-get, magit, Muse, GNU Emacs;
- ALTLinux—Linux distribution, package maintainer (2001–2004)
- Catdoc—Open-source converter for MS Office files, development of PPT & XLS converters;
- Dansguardian – web-filtering software;
- openfwtk—application level firewall;
- Russian documentation for Linux – author of different articles about Linux.

Information about other open source projects you can find on [github](#)<sup>15</sup> and [ohloh](#)<sup>16</sup>.

## Certification

- Authorised “ALTLinux specialist”, certificate number 0x000C;
- Brainbench certification ([Brainbench ID 5075245](#)<sup>17</sup>):
  - Master C++
  - Master C++ Fundamentals
  - Master Unix Programming
  - Master Linux Programming
  - Master Network Authentication
  - Master Unix Administration (General)
  - Master Linux Administration (General)
  - Master Linux Administration (Redhat)
  - C Programmer

## Personal skills and competences

### Languages

- **Russian:** Mother tongue
- **English:** Good reading, writing & verbal skills
- **German:** Good reading, basic writing and verbal skills

### Social and organizational skills and competences

- Ability to working in multinational commands, working with foreign customers
- Ability to work in teams and alone
- Experience in managing of software development teams, coordinating different departments to make projects.
- Participation in Open Source projects

### Other personal info

- **Driving license:** present
- **Artistic skills and competences:**
  - Author of different articles, in physic and computer-related branches (functional programming, Emacs, programming);
  - Co-author of Russian translation of “GNU Emacs manual”, “Practical Common Lisp”, “Types and programming languages”, and some other.
